### IMPORTANT LEGAL INFORMATION

#### Donations to Political Parties

There is a cap on political donations to the NSW Nationals. The cap is \$6,300 for aggregated political donations to or for the benefit of a registered political party during the 2018/2019 financial year. This contribution is considered a donation to the NSW Nationals.

#### Prohibited Donors

Property developers, tobacco industry business entities, for-profit liquor or gambling business entities (including any industry representative organisation where the majority of its members are these entities) and their close associates are prohibited donors. A director or officer or person whose voting

power is greater than 20% (and their spouses) are considered to be a close associate, as is a person in a joint venture or partnership with a property developer. Further, the spouse of a prohibited individual donor is a close associate. It is unlawful for a prohibited donor to make a political donation.

If you make a donation and within 12 months become a property developer an amount that is double the amount or value of the donation will be payable to the State.

#### Disclosure Warning

If you make a political donation or incur electoral expenditure of \$1,000 or more, you must complete and lodge a declaration with the Electoral Commission in accordance with the Electoral Funding Act 2018. A political donation includes a contribution

or entry fee or an annual or other subscription. You must also disclose a political donation of less than \$1,000 if the total amount of political donations made by you in respect of the same party (or associated entity), elected member, group, candidate, third-party campaigner or person in the same financial year is \$1,000 or more. Penalties apply for failing to lodge a declaration.

#### Further information

The above is a summary only. For the complete requirements, see Part 3 of the Electoral Funding Act 2018 (NSW).
